

LENNOX

Innovative, energy-saving and adaptable,
iComfort® smart thermostats provide the ultimate

COMFORT CONTROL

 iComfort®

iComfort®

S30, E30
AND M30
SMART THERMOSTATS

Taking comfort control to the next level

ENERGY SAVINGS

iComfort® S30, E30 and M30 smart thermostats help save energy automatically, without compromising your comfort.

ENERGY INNOVATIONS

SMART AWAY™ MODE

iComfort S30, E30 and M30 smart thermostats use the location services on your phone to detect when you come and go, adjusting the temperature accordingly to save energy when away and keep you comfortable when home.

ONE-TOUCH AWAY MODE

One-touch Away Mode on the iComfort S30, E30 and M30 overrides your regular programming schedule with a single touch and sets back your heating and cooling set points to save energy.

SCHEDULE IQ™ TECHNOLOGY

iComfort S30, E30 and M30 smart thermostats allow you to program your thermostat once. Whenever there's a change in your routine, the thermostat adapts heating and cooling to match.

SMOOTH SETBACK RECOVERY

Energy saving and convenient, iComfort S30 and E30 smart thermostats automatically adjust the heating and cooling start time, so, your house is at the temperature you want at the time you want.

COMFORT INNOVATIONS

ALLERGEN DEFENDER

iComfort S30 and E30 smart thermostats' Allergen Defender feature monitors the air quality and pollen levels in your local ZIP code and automatically turns the system fan on as needed to clean your home's air.

HUMIDITY CONTROL

Offering maximum humidity control, iComfort S30, E30 and M30 smart thermostats can work with a whole-home humidifier to optimize the moisture levels in the air.

PRECISE COMFORT® PLUS

Offering precise comfort control, the iComfort S30 can hold your home's temperature to within 0.5 degrees or less when used with Lennox modulating equipment.

CLIMATE IQ® TECHNOLOGY

The iComfort S30 and E30 monitor humidity levels and remove excess moisture for healthier, more comfortable air.

SMART COMFORT

iComfort S30, E30 and M30 smart thermostats make home comfort perfectly simple. The Feels Like™ feature creates the temperature you want to feel, not just the temperature you set—much like the “Feels Like” temperature in a weather report. So, when you set it to 72°F, it feels like 72°F.

= 72°
FEELS LIKE

CONVENIENCE

Remote control of your home's environment is easy with iComfort smart thermostats. Monitor temperatures and schedules from anywhere using the iComfort App and your smart device. The iComfort S30, E30 and M30 smart thermostats are compatible with Amazon Alexa*, so you can use your Amazon Echo or Echo Dot devices to control your HVAC system using voice commands. The iComfort S30 and E30 are also Apple HomeKit-compatible, allowing you to use your Siri virtual voice assistant to control temperature settings in your home.

CONVENIENCE INNOVATIONS

HD COLOR DISPLAY

Easy to read, capacitive touchscreens on the iComfort S30 and E30 provide smartphone-like touch response.

EMAILED ALERTS AND REMINDERS

Notifies you and your dealer of any service or maintenance needs for the iComfort S30, E30 and M30 smart thermostats.

AUTOMATIC UPDATES

As new features are developed, iComfort S30, E30 and M30 smart thermostats are automatically updated with the latest software.

BUILT-IN FLEXIBILITY

iComfort S30 and E30 thermostats with 7" HD color capacitive touchscreen display

iComfort M30 thermostat with 4.3" color capacitive touchscreen display

iComfort smart thermostats give you easier access to the comfort, convenience and energy savings you deserve. The iComfort S30 works with communicating iComfort-enabled Lennox HVAC products. The iComfort E30 and M30 thermostats are universal thermostats that work with non-iComfort enabled and non-Lennox products.

PEACE-OF-MIND PROTECTION

iComfort S30, E30 and M30 smart thermostats are backed by a 5-year limited warranty on covered components.**

*iComfort S30 is compatible with Lennox HVAC products. iComfort E30 and M30 are compatible with Lennox and non-Lennox HVAC products. Each requires separate purchase of Amazon Echo or Echo Dot. At this time, Amazon asserts that Amazon Echo devices are not available for purchase in all countries. Therefore, this reference is intended for use with U.S.- and Canada-based thermostats only. Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates.

**Applies to residential applications only. See actual warranty certificate for details.

Note: Due to Lennox' ongoing commitment to quality, specifications and ratings are subject to change without notice.
